## Principal's Report

Autumn has arrived this week and the mornings have been much cooler. The afternoons are still lovely, but please remember to send your child with a warm jumper or jacket in the mornings. Our SunSmart policy requires students to continue wearing a hat outside for the remainder of Term 1 and all students need a water bottle at school every day to stay well hydrated.

### **Labour Day Public Holiday**

There is no school next Monday 9<sup>th</sup> March due to the Labour Day public holiday. I hope all families get to enjoy some rest and relaxation together, perhaps even a sleep-in!

### **Inventors at Work**

Our students have started constructing the models of their inventions at school and we are in need of more cardboard boxes, cardboard tubes (no empty toilet rolls please), milk cartons etc. If you can help, please drop off your supplies in the art room.

### **Cluster Athletics**

Students who are turning 9 or older this year are eligible to compete in the local Cathedral Cluster Athletics Day on Monday 23<sup>rd</sup> March in Alexandra. It is a fun event and a great opportunity to connect with other local students. Students will be able to nominate the events they would like to enter next week and will have opportunities to practise their skills before the day. Depending on numbers who wish to attend, we may require a parent volunteer to help transport students to the event, if you can help please let me know.

### **SES Storm Safe Workshop**

With all the crazy storm weather we have been experiencing recently, we have decided to run a Storm Safe information session for students on Thursday 26th March. Representatives from the local SES will come out and speak with students about how to stay safe in dangerous conditions and what to look out for.

### **Students with Asthma**

If your child has been prescribed an Asthma reliever to use either at home or school we **MUST** have an **Asthma Action Plan completed by your child's doctor**. It is a legal requirement and part of our school Asthma Policy. If you need help accessing the correct forms, please contact Lorraine in the office.

Take care and enjoy the long weekend,

**Sarah**
